Re: Freedom of Information Request

Further to your recent Freedom of Information request regarding Anti-Depressants, please see below our response to your request.

Request:

A full breakdown of the anti-depressants prescribed to patients in St Helens over the last three financial years (2015-16, 2016-17, 2017-18). The information should be broken down by age, gender and the month they were prescribed and include the name of the medication that was prescribed.

Response:

Unfortunately the CCG does not hold this data. Please direct your query to NHS Business Services Authority; www.nhsbsa.nhs.uk.

Should you require any further information or clarification regarding this response or do not feel that your request has been answered as you would expect, please contact us to discuss.

We also wish to take this opportunity to inform you that a formal complaints and internal review process is available, which will be managed by a FOI Appeals Officer.

This can be formally requested and must be done within a reasonable period of time (3 calendar months) from the date this response was issued.

Where you are not satisfied with the response to a request for information that falls within the Environmental Information Regulations, you should make a representation for a review to FOI Appeals Officer, sthelensccg.foi@nhs.net within 40 days of receipt of the response.

If you are not satisfied with our review under the Freedom of Information Act or the Environmental Information Regulations, you may apply directly to the Information Commissioners Office (ICO) for a review of your appeal decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure.
The ICO can be contacted at:
