Dear Sir/ Madam

Re: Freedom of Information Request

Further to your recent Freedom of Information request regarding CCG LD Services, please see below our response to your request.

Request:

See attached spreadsheet.

Response:

See attached spreadsheet.

Should you require any further information or clarification regarding this response or do not feel that your request has been answered as you would expect, please contact us to discuss.

We also wish to take this opportunity to inform you that a formal complaints and internal review process is available, which will be managed by a FOI Appeals Officer.

This can be formally requested and must be done within a reasonable period of time (3 calendar months) from the date this response was issued.

Where you are not satisfied with the response to a request for information that falls within the Environmental Information Regulations, you should make a representation for a review to FOI Appeals Officer, sthelensccg.foi@nhs.net within 40 days of receipt of the response.

If you are not satisfied with our review under the Freedom of Information Act or the Environmental Information Regulations, you may apply directly to the Information Commissioners Office (ICO) for a review of your appeal decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure.

The ICO can be contacted at;

ICO, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
www.ico.gov.uk
Should you need any further clarification or assistance, please do not hesitate to contact me quoting the above reference.

Yours sincerely,

Angela Delea  
Associate Director – Corporate Governance  
NHS St Helens Clinical Commissioning Group

**Notes for Adult Services:**

1. Enhanced/intensive community support services for adults with a learning disability and/or autism who display challenging behaviour, yes or no; FULL – when in place. NHSE funding approved for a one-year intensive support service currently in the mobilisation stage not yet operational. Following this service redesign will configure the Intensive Support Function (ISF) moving forward.

2. Specialist community-based forensic services for adults with a learning disability and/or autism who display challenging behaviour, yes or no; PARTIAL - Not yet in place but an element of forensic service is included in the above planned ISF.

4. Acute learning disability inpatient services including the number of beds and whether they are in a dedicated specialist unit or existing mainstream inpatient services. FULL - for adults there is an 8 bedded specialist Assessment and Treatment Unit in place which St Helens has a proportion of bed nights shared with other CCG’s within the Northwest Borough’s footprint.
